EVERGREENS

Prices are for Evergreens Securely Balled and Burlapped

Can dig Evergreens, roots puddled at the following reductions in price:

12 to 18 inches at 12½c. 18 to 24 inches at 15c. 2 to 3 feet at 20c.

Our Evergreens have all been three times x x x transplanted, having been grown with plenty of room for development. Have been properly sheared and pruned for producing compact, symmetrical specimens.

Evergreens selected and marked by customers in the Nursery field will be charged for in accordance with their value, and prices named in this list will not govern.

We do not guarantee Evergreens to live and will only make adjustments when complaints are filed promptly upon receipt of shipment.

Height specified after botanical name indicates height tree should obtain at maturity.

HARDY PERENNIALS AND ALPINE PLANTS

In making up this Spring 1934 Price List we wish to present to our customers a list of Perennials and Alpine Plants that will prove most satisfactory throughout the middle west. We grow a number of varieties of Perennials that we are not listing and if you are needing some odds and ends that we are not offering write us for we may have them.

We grow our own perennials. We dig them fresh from the field after orders are received for perennials are very perishable and must be properly and quickly handled for best results. We invite you to visit our perennial gardens and packing sheds to see how we handle this particular work.

Varieties * indicates adaptability for rock plants.

Color indicates bloom; Month, period of blooming season; (") Inches high when in bloom; (') Feet high when in bloom.

All Plants quoted are FIELD GROWN STOCK of such size as most satisfactory for general planting.

GLADIOLUS

The Gladiolus we are offering here are guaranteed to be true to name and up to sizes specified. Our bulbs are free from diseases and insects of all kinds, clean, healthy, vigorous.

Last year was generally dry throughout the entire country and as a result Gladiolus are not as plentiful as they have been heretofore. Therefore, we would suggest you get your order in at an early date.
